

C O N T E N T S

	Page
1. Introduction	1
2. Marine Biology	2
2.1 Objectives	3
2.2 Cruise Schedule	3
2.3 Methods - Sampling	3
2.4 Laboratory Analysis	4
2.5 Discussion	6
2.6 References	7
3. Observation on Cataceans	8
3.1 Introduction	9
3.2 Methods	9
3.3 Results	9
3.4 Conclusion	10

LIST OF TABLES

	<u>Page</u>
Tab. 1 Location of Hydrographic Stations	12
Tab. 2 Salinity in relation to depth	13
Tab. 3 Temperature recordings in relation to depth	14
Tab. 4 Determination of Dissolved Oxygen	15
Tab. 5 Determination of Nitrates	16
Tab. 6 Determination of Nitrites	17
Tab. 7 Determination of Phosphates	18
Tab. 8 Percentage species composition of Zooplankton	19
