Summary	
1. Introduction	01
1.1 Objective of the study	02
1.2 Methodology of the study	02
2. Shark fishery	03
2.1 Shark fins	04
2.2 Shark teeth	05
2.3 Shark liver oil	05
2.4 Shark hides	05
2.5 Shark cartilage products	05
2.6 Other uses	06
3. Shark fin trade	08
3.1 Wet fins	10
3.2 Dry fins	11
4. Shark fin soup component	13
4.1 Preparation of shark fin soup	14
5. Findings of the study	15
5.1 Price of wet fins	15
5.2 Marketing of wet fins	16
5.3 Socio-economic data of wet fin collectors/dry fin producers	17
5.4 Cost of production of dried fins	21
5.5 Packaging and marketing of dried fins	22
5.5.1Packaging	22
5.5.2 Marketing	22
5.6 Conversion ratio of wet fins to dried fins	24
5.7 Export quantity of dried shark fins	25
5.8 Price of dried shark fins	27
5.9 Processing of dry shark fins	28
5.10Cost of production of processed fins	31
5.11Benefits of value addition to the nation	32
5.12Marketing of shark fin soup	33
5.13Price of shark fin soup	34
5.14Price of shark fin soup at foreign markets	36
6. conclusions and Recommendations	37
7. References	40
