

## **Table of Contents**

|       |   |    |
|-------|---|----|
| 1.    | Introduction .....                        | 6  |
| 1.1   | Objective of the study .....              | 6  |
| 1.2   | Specific Objectives.....                  | 7  |
| 1.3   | Methodology .....                         | 7  |
| 2     | Findings of the study .....               | 8  |
| 2.1   | Demographic details of fishers.....       | 8  |
| 2.2   | Fishing Practices .....                   | 9  |
| 2.3   | Fish Catch.....                           | 10 |
| 2.4   | Price of fish .....                       | 11 |
| 2.5   | Capital cost of fishing operation .....   | 12 |
| 2.6   | Recurrent cost of fishing operations..... | 13 |
| 2.7   | Income of the fishing operation .....     | 13 |
| 2.8   | Marketing of fish.....                    | 14 |
| 2.8.1 | Marketing Cost.....                       | 15 |
| 2.8.2 | Daily income of Vendors .....             | 16 |
| 2.9   | Lagoon Management.....                    | 17 |
| 2.10  | Livelihood Issues.....                    | 17 |
| 3     | Conclusion.....                           | 19 |
| 4     | Recommendations .....                     | 20 |
| 5     | Reference .....                           | 21 |

## **List of Table**

|   |    |
|---|----|
| Table 1: Total fish catch of a craft per day (Kg).....    | 10 |
| Table 2: Catch composition of a craft per day (Kg) .....  | 11 |
| Table 3: Price of fish per Kg (Rs).....                   | 12 |
| Table 4: Average annual capital cost (Rs) .....           | 13 |
| Table 5: Average operational income per day (Rs) .....    | 14 |
| Table 6 : Operational cost of the fish vendors (Rs) ..... | 16 |
| Table 7: Daily income of a vendor (Rs).....               | 17 |
