TABLE OF CONTENTS

Agrostology & Farming Systems	
Effect of chemical and organic fertilizers on growth yields of C0-3 (Napier hybrid) and clone 13 (Napier selection) in the Mid Country Wet Zone of Sri Lanka R. Umachandrika, V. P. Jayawardena and G. G. C. Premalal	2
A study on the diversity of some farm animals in Pussllawa area W.K. Daya Padmalatha and G. L. P. Silva	4
Nutrient (NPK) flow in dairy – vegetable crop farming system in Nuwara Eliya District H.M.A.G. Maddumabandara, M. N. M. Ibrahim and A. N. Jayakody	5
Animal Genetics & Breeding	
Comparison of growth and carcass traits of village chicken, Rhode Island Red birds, their F1 crosses and commercial broilers G.A.D.K. Rathnajeewa, Cm. B. Dematawewa and H. W. Cyril	8
Morphological and genetic characterization of endemic, some indigenous and exotic chicken types P.M. Gunawardene, G. L. L. P. Silva and W. R. A. K. J. S. Rajapaksha	10
Evaluation of production and reproduction performance of buffaloes and their crosses in Nikawaratiya NLDB Farm M.P.N. Kumara and C. M. B. Dematawewa	12
Animal Nutrition & Management	
Determination of management requirement of maximum growth of performance and feed conversion ration of broilers W.M.C.B. Wijesinghe and H. W. Cyril	14
Evaluation of the benefits of induced moulting in broiler breeder farms H.K.B.P.K.R. Karunaratne, K. Samarasinghe and S. Gamage	16
Effect of different levels of protein and tannins on nutrient utilization and nutrient balance in ruminants M.K. Samaraweera and V. P. Jayawardena	18
Production and evaluation of canned dog foods made from swine abattoir by products J.K. Dissanayake and H. W. Cyril	20
Use of prebiotics and herbs as alternative for traditional antibiotics in broiler feeds P.K.D.S. Kumara and K. Samarasinghe	22
Animal Physiology & Growth	
Evaluation of growth and climatic influence on reproduction of ducks and muscovies under Mid Country farm conditions P.A.N.N. Gunaratne and G. L. L. P. Silva	24
Estimation of heat tolerance ability of Saanen goats and Red Madras sheep W.P.R. Perera and E. R. K. Perera	26
Effects of thermal environment and physiological parameters at insemination on the conception rate of estrus synchronized buffaloes R.A.N. Perera and E. R. K. Perera	28
Effects of re-mating interval on reproductive performance of rabbits T.L.N.S. Mendis and E. R. K. Perera	30
The effect of thermal environment, body parameters and physiological at artificial insemination on conception of Jersey cows E.D.N.P. Edirisinghe and E. R. K. Perera	32
Cyclic changes in serum progesterone level in the domesticated she elephants S.K. Wijesinghe and M. P. B. Wijayagunawardane	36
Evaluation of growth and climatic influence on egg production of Guinea Fowl under Mid Country farm conditions W.A.D. Nayananjali and G. L. L. P. Silva	38

Dairy Technology	
Development of an instant milk shake in powder form E.A.T.S. Kumari and K. F. S. T. Silva	40
Investigation of the quality defects of deekiri (indigenous buffalo curd) caused by Yeast and Mould H.P.M. Tissera and K. F. S. T. Silva	42
Suitability of three plant derived stabilizers for manufacture of organic set yoghurt M.D. Bullumulla and K. F. S. T. Silva	44
The effect of feeding yoghurt containing probiotic bacteria on serum lipid concentrations and faecal microflora in hypercholesterolaemic rats (<i>Rattus norvegicus</i>) J. Vallipuram, K. F. S. T. Silva and R. Sivakanesan	48
Fisheries & Aquaculture	
Determination of methods of rearing <i>Puntius titeya</i> and <i>Acanthocobitis urophthalmus</i> under captive conditions K.M.T.S. Weerakoon and U. Edirisinghe	50
Development of semi- Artificial breeding techniques for <i>puntius nigrofasciatus</i> under captive condition A.P.K. Aruni Priyangika and U. Edirisinghe	52
Formulation of a low cost feed using poultry by-products for Guppy K.S.M.N. de Silva, U. Edirisinghe and Lim Beng Joo	54
Development of culture techniques for <i>Danio malabaricus</i> and <i>Rasbora vateriflora</i> G.B.A.D. Rajapakshe and U. Edirisinghe	56
A study on some aspects of comb tail fish (<i>Belontia signata</i>) and its potential for the control of tilapia recruitment S.M. Himali and U. Edirisinghe	58
A study on Guppy (<i>Poecilia reticulata</i>) breeding; development of a new variety S.M. Peiris and U. Edirisinghe	60
Meat Science & Technology	
Influence of meat consumption on pubertal age in Sri Lankan girls P.M.H. Abeykoon and H. W. Cyril	64
Pre-slaughter factors effect on carcass quality of broiler chicken B.G.N. Premalal and H. W. Cyril	66
Different preparation methods of meat, fish and soups A.K.M.P. Edmand and H. W. Cyril	68
Development of sterilized meat ball pack M.A.T.S. Mallawaarachchi and H. W. Cyril	70
Carcass quality of broiler chicken N.A.P. Ajani, H. W. Cyril and C. M. B. Dematawewa	72
Wild life & Ecotourism	
Present status and potentials to develop ecotourism in the Mid Country of Sri Lanka B.U.G.K.A. Abewardhanana and V. P. Jayawardena	76
Selective feeding habits of wild elephants at Udawalawe National Park B.M.L.C. Balasooriya, V. P. Jayawardena and K. A. I. D. Silva	78
Potentials and present status of Bolgoda Lake as an Ecotourism zone M.D.L.C. Nishantha, A. N. F. Perera, V. P. Jayawardena and P. Gurusinghe	80
Comparative analysis of nature and conventional tourism in Sri Lanka W.P. Krishantha, A. N. F. Perera, V. P. Jayawardena and K. A. I. D. Silva	82
Manufacture of pasteurized milk sachets with higher sensory qualities and longer shelf life under refrigerated conditions W.R.A.C.D. Ranasinghe and K.F.S.T. Silva	84
